

Expanded Form Problems

1) Express the following number in expanded form $21_4 =$

2) Express the following number in expanded form $1_{13} =$

3) Express the following number in expanded form $1_5 =$

4) Express the following number in expanded form $33_6 =$

5) Express the following number in expanded form $29_{10} =$

6) Express the following number in expanded form $21_8 =$

7) Express the following number in expanded form $1_5 =$

8) Express the following number in expanded form $C_{13} =$

Expanded Form Problems

9) Express the following number in expanded form $123_4 =$

10) Express the following number in expanded form $104_5 =$

11) Express the following number in expanded form $10010_2 =$

12) Express the following number in expanded form $17_{15} =$

13) Express the following number in expanded form $12_8 =$

14) Express the following number in expanded form $13_{13} =$

15) Express the following number in expanded form $121_3 =$

16) Express the following number in expanded form $40_6 =$

Expanded Form Problems

17) Express the following number in expanded form $1D_{16} =$

18) Express the following number in expanded form $21_6 =$

19) Express the following number in expanded form $23_{10} =$

20) Express the following number in expanded form $6_{12} =$

21) Express the following number in expanded form $22_{13} =$

22) Express the following number in expanded form $26_8 =$

23) Express the following number in expanded form $15_{16} =$

24) Express the following number in expanded form $15_{10} =$

Expanded Form Problems

25) Express the following number in expanded form $26_7 =$

26) Express the following number in expanded form $18_{11} =$

27) Express the following number in expanded form $3_9 =$

28) Express the following number in expanded form $27_9 =$

29) Express the following number in expanded form $19_{11} =$

30) Express the following number in expanded form $A_{13} =$

31) Express the following number in expanded form $1D_{14} =$

32) Express the following number in expanded form $10_{13} =$

Expanded Form Problems

33) Express the following number in expanded form $22_{11} =$

34) Express the following number in expanded form $B_{12} =$

35) Express the following number in expanded form $1010_3 =$

36) Express the following number in expanded form $12_{16} =$

37) Express the following number in expanded form $23_{13} =$

38) Express the following number in expanded form $31_4 =$

39) Express the following number in expanded form $20_{10} =$

40) Express the following number in expanded form $14_6 =$

Expanded Form Problems

41) Express the following number in expanded form $10110_2 =$

42) Express the following number in expanded form $35_6 =$

43) Express the following number in expanded form $2_7 =$

44) Express the following number in expanded form $6_{16} =$

45) Express the following number in expanded form $1002_3 =$

46) Express the following number in expanded form $1B_{14} =$

47) Express the following number in expanded form $10010_2 =$

48) Express the following number in expanded form $110_3 =$

Expanded Form Problems

49) Express the following number in expanded form $2_5 =$

50) Express the following number in expanded form $9_{10} =$

51) Express the following number in expanded form $23_{13} =$

52) Express the following number in expanded form $43_6 =$

53) Express the following number in expanded form $5_{11} =$

54) Express the following number in expanded form $103_4 =$

55) Express the following number in expanded form $15_{12} =$

56) Express the following number in expanded form $8_{11} =$

Expanded Form Problems

57) Express the following number in expanded form $111_4 =$

58) Express the following number in expanded form $6_{13} =$

59) Express the following number in expanded form $10_{15} =$

60) Express the following number in expanded form $7_9 =$

61) Express the following number in expanded form $6_8 =$

62) Express the following number in expanded form $20_3 =$

63) Express the following number in expanded form $20_{11} =$

64) Express the following number in expanded form $2_{14} =$

Expanded Form Problems

65) Express the following number in expanded form $113_4 =$

66) Express the following number in expanded form $26_8 =$

67) Express the following number in expanded form $22_9 =$

68) Express the following number in expanded form $A_{13} =$

69) Express the following number in expanded form $16_{11} =$

70) Express the following number in expanded form $1_8 =$

71) Express the following number in expanded form $23_5 =$

72) Express the following number in expanded form $10_{12} =$

Expanded Form Problems

73) Express the following number in expanded form $6_{13} =$

74) Express the following number in expanded form $3_{14} =$

75) Express the following number in expanded form $5_7 =$

76) Express the following number in expanded form $23_9 =$

77) Express the following number in expanded form $17_{10} =$

78) Express the following number in expanded form $41_7 =$

79) Express the following number in expanded form $5_9 =$

80) Express the following number in expanded form $44_6 =$

Expanded Form Problems

81) Express the following number in expanded form $36_8 =$

82) Express the following number in expanded form $220_3 =$

83) Express the following number in expanded form $25_6 =$

84) Express the following number in expanded form $17_8 =$

85) Express the following number in expanded form $6_{16} =$

86) Express the following number in expanded form $18_{16} =$

87) Express the following number in expanded form $4_{14} =$

88) Express the following number in expanded form $23_7 =$

Expanded Form Problems

89) Express the following number in expanded form $12_4 =$

90) Express the following number in expanded form $123_4 =$

91) Express the following number in expanded form $24_{12} =$

92) Express the following number in expanded form $24_{12} =$

93) Express the following number in expanded form $122_3 =$

94) Express the following number in expanded form $111_2 =$

95) Express the following number in expanded form $13_8 =$

96) Express the following number in expanded form $132_4 =$

Expanded Form Problems

97) Express the following number in expanded form $3_{12} =$

98) Express the following number in expanded form $2_8 =$

99) Express the following number in expanded form $17_{13} =$
